FamFamFamSilklcons

Silk is a smooth, free icon set, containing over 700 16-by-16 pixel icons in strokably-soft PNG format. Containing a large variety of icons, you're sure to find something that tickles your fancy. And all for a low low price of \$0.00. You can't say fairer than that.

I also love to hear of my work being used, feel encouraged to send an email with a link or screenshot of the icons in their new home to [mjames at gmail dot com](mailto:mjames@gmail.com). This work is licensed under a Creative Commons Attribution 2.5 License. This means you may use it for any purpose, and make any changes you like. All I ask is that you include a link back to this page in your credits (although a giant link on every page of your website really isn't needed, contact me to discuss specifics).
