RSS news feed of topic changes

You can use an RSS news reader to find out what is new in a Foswiki web. This complements WebChanges that shows recent changes in a web, and WebNotify where people can subscribe to get notified of recent changes by e-mail.

For the Main web, point your RSS news reader to:

`https://wiki.iac.ethz.ch/bin/view/Main/WebRss`

For other Foswiki webs, replace `/Main/` with the name of the web:

- `https://wiki.iac.ethz.ch/bin/view/Public/WebRss`
- `https://wiki.iac.ethz.ch/bin/view/System/WebRss`
